Director's Report:

- The library operations report was presented. Adult circulation is higher than it has been in years when looking at the combination of print and digital in spite of the reduced foot traffic is somewhat reduced.
- The first summer reading program was very well attended. We had over 200 people in attendance. We feel that parents are really looking for things to do and are tired of the isolation. The summer in the park in Hazelton is going well also. It was a little slow to start, but is picking up.
- The Library is planning on attending the Freedom Fest to promote current and upcoming programs and services.

Unfinished Business

- The meeting room should be covered by the ARPA grant offered by the Idaho Commission for Libraries. We hope to get this covered as well as the architecture work for a covered patio.

New Business

- Director presented a sample of a long range plan. Perhaps we can look at this as an example of how to create one. We will revisit this at the next meeting.

Adjournment

The meeting was adjourned at 5:47 pm.
